Requests for capital projects such as equipment, tools, books, etc. are made to enhance a teacher's unique ability to instruct students. Grants for field trips, supplies, special programs, and other non-capital expenditures must be used within 120 days of funding.

Grant requests for a current cycle will not be automatically carried forward to the next funding period. However, a teacher may resubmit a similar (or identical) request for an unfunded project in subsequent grant cycles. The Rotary Club of Sebastopol anticipates that there are will be three funding cycles in each school year.

The Rotary Club of Sebastopol requests that any teacher who receives an award submit some evidence that their project was completed successfully. Photos or newspaper articles submitted by teachers may be used to promote the Mini-Grant program.

These procedures, funding cycles, and grant amounts are subject to change without notice by the Rotary Club of Sebastopol. All decisions regarding grant applications by the Board of Directors of the Rotary Club of Sebastopol shall be final.
